D-230HB-T

3 Product Introduction

The D-230HB-T, D-340HB-T, and D-350HB-T series are designed with elegance and functionality fit for Home Theater Personal Computer (HTPC). With the advancement of server racks for home, these models are ideal for both rackmount and desktop orientation. With storage capacity up to 3 TB per each bay, the drive cage has tray supporting 3.5" HDD & 2.5" HDD and maximizes data storage and backup functionality at the same time. These series are ideal platform for HTPC build using popular AMD and Intel processors.

4 Specifications
